DECK THE WARDS

FUNDRAISING PACK

WELCOME

From the everyday to the innovative, NHS Tayside Charitable Foundation support NHS Tayside to empower the communities it serves: patients, families, donors, carers and staff. Together, we help make people's lives better and longer. We are dedicated to supporting NHS Tayside patients and staff, and improving health and wellbeing for the people of Tayside.

Through our Deck the Wards campaifn, you'll be raising money to support the health and wellbeing of the people in Tayside both now and for future generations!

MEET THE TEAM

We are the official charity of NHS Tayside. Our fundraising team is dedicated to working with our supporters to raise funds in support of our mission. Together, we help make people's lives better and longer.

YOUR SUPPORT

Where your funds will go

Patients' journeys can often see them engage with multiple departments and services within NHS Tayside. By donating to our unrestricted fund through Foundation 50, fundraisers and supporters make it an equitable fund for distribution across all wards and departments within NHS Tayside. Some wards, departments and services often receive a higher level of donation than others. Raising funds for the general fund allows the charity to equitably spread our support across wards, departments, services and community groups within the Tayside area. Helping people live better and longer lives.

Each year NHS Tayside Charitable Foundation funds a gift and greeting card for each and every patient in hospital on Christmas Day. The charity also provides funding for Christmas decorations for wards. Help us spread some festive cheer this year by taking part in a festive Foundation fundraiser.

Your donation will support local NHS hospitals and services in NHS Tayside. You can donate to our general fund which can be used for a variety of purposes, including:

- Buying extra items for patients which will make their visit or stay more comfortable
- Supporting major projects, such as a new unit, an extension or a facility upgrade
- Introducing pioneering ways of delivering care
- Contributing to medical research
- Supporting Volunteer Services
- Funding extra educational and training opportunities for staff
- Providing additional support to patients in the community

THANK YOU
